In the name of Allah the Gracious the Merciful.

There is no god but Allah Muhammad is Allah's Messenger.

O Lord bless Your servant and Your Messenger our Prophet Muhammad, Allah's blessing and peace be upon Him, and be pleased O Lord with all His companions, and the followers and those who follow them with kindness until the Day of Judgement.

My brother Aba al-Ayyubi, may the Lord Almighty protect you.

Already your good news reached me directly from the brother Hussein and consequently from you in the saved file. And the brother Hussein and as we expected sees in you a model of the young Muslim the courageous and the fervid on our true religion and on our Prophet the Seal of the prophets Muhammad Allah's blessing and peace be upon Him. You are a Muslim truly and purely and your longing to obey Allah appeared clearly. The brother Hussein informed us that your meeting was pleasant and beneficial and that you truly met him in a place far from you despite your broken-down car. I hope that the car is in a useful condition now for the transportation. In any case, your effort in the arrival to the brother Hussein despite your car's breakdown is none other than a proof of your decision [UI] and your readiness for sacrifice for the sake of Allah Almighty.

Also already the brother Hussein informed us that you did not talk about specific targets as we were expecting. We hope that you discuss these matters in the coming meeting.

The brother Hussein informed us that he discussed with you regarding the computer which you use and that you may be able to buy that computer from your friend. If you did that then this is fantastic since you will be able to communicate with us from your home location without the monitoring of anyone and at any time that suits the needs of the cause. This will be important as we proceed for an important operation in the near future, Allah willing. My dear, did you talk about the subject with your friend and did he agree on that? Also do you have the sufficient money for buying the computer?

My dear, pray for our sake and for the safety of the brothers and in a special way for the Sheikh, may Allah delay his death. We in our turn pray for your safety and your success and Allah's pleasure with you.

Your brother: Rafiq
